FOSS

FOSS NIRSystems offers NIR User Meetings

FOSS NIRSystems is conducting Near-Infrared User Meetings around the USA. Come and meet and talk to other FOSS NIR users, see FOSS equipment and discuss your applications with our product specialists.

Please join one of our upcoming free NIR User Meetings:

- **Illinois:** Radisson Hotel Schaumburg, Schaumburg, September 23, 2009, 9am–4pm
- **Puerto Rico:** Embassy Suites Hotel Dorado, Dorado, October 13, 2009, 9am–4pm
- **Northeastern United States** – during fall 2009

For more information and/or to sign-up, please visit our web site:

http://www.foss-nirsystems.com/education_available_courses.aspx

or contact Denise Root directly at: droot@foss-nirsystems.com or by phone at 301-680-7240.

FOSS NIRSystems, Inc., a unit of FOSS A/S of Denmark, is the world's leading manufacturers of near infrared analytical instruments. Headquartered in Laurel, MD, FOSS NIRSystems provides a complete range of rapid scanning, near-infrared spectrophotometers for laboratory and process applications. Sales, service, and support offices are located on nearly every continent to assist local personnel in 65 industrial centers worldwide.
