FOSS

FOSS NIRSystems offers Near-Infrared User Meetings and On-Site NIR Seminars

During 2009, FOSS NIRSystems will be conducting NIR User Meetings around the USA. Come and meet and talk to other FOSS NIR users, see FOSS equipment and discuss your applications with our product specialists.

We can also conduct a free dedicated FOSS NIR Seminar at your company site to find out the potential NIR applications that can help improve your product quality and process efficiency.

For more information, please visit our web site www.foss-nirsystems.com or contact Denise Root at droot@foss-nirsystems.com or by phone at (301) 680-7240.

FOSS NIRSystems, Inc., a unit of FOSS A/S of Denmark, is the world's leading manufacturers of near infrared analytical instruments. Headquartered in Laurel, MD, FOSS NIRSystems provides a complete range of rapid scanning, near-infrared spectrophotometers for laboratory and process applications. Sales, service, and support offices are located on nearly every continent to assist local personnel in 65 industrial centers worldwide.

For more information on FOSS NIRSystems and its complete product line, contact:
